

Report by Suryadi

First of all, I would like to thank the Stichting Oosters Instituut for its contribution to the cost of travel to and participation in the 12th MANASSA International Conference on Indonesian Manuscripts, hold in Bandung, 4-7 August 2008. There I have presented my paper entitled “*Syair Syurga*: a devotional literary text in an early Malay printed book from Sumatra”. Two weeks later, on my trip back to the Netherlands, I stopped in Kuala Lumpur. There I also presented the paper at the Scholar’s Discourse in the IAMM, the Islamic Arts Museum Malaysia, on 22 August 2008. I received helpful comments from the participants of these academic events, which are very valuable for me to revise this paper. I will submit the revised paper to a relevant international journal to be published. A copy of the paper has been sent to Prof. Dr. Jan Just Witkam, the Secretary of the Oosters Stichting Instituut. Once again, I would like to thank the Stichting Oosters Instituut for financial support which enabled me to travel to Indonesia and Malaysia.
